This table provides the lowest score in the 2020 11+ Test to secure a place on March offer day in 2021 for entry in September 2021. These figures fluctuate from year to year and therefore applications below these scores, but above the pass mark (please note not all schools have a pass mark), may still be worthwhile.

CSSE secondary school offers are not made to any child who has scored under a total standardised score of 303. Successful appeal places are awarded outside this criteria.

Places awarded under special considerations criteria are outside of these published cut off positions. Please refer to the schools' admissions policies for further information.
